Employee Handbook

Vacation and time off

Annual vacation

Full-time employees receive 25 working days of paid vacation per calendar year. Part-time employees receive a prorated allowance based on their contracted working schedule.

Requesting vacation

Submit vacation requests in the HR portal at least 10 working days before the planned start date. Your manager reviews each request and confirms approval in the portal.

Carryover

Employees may carry up to 5 unused vacation days into the following calendar year. Carried days must be used by March 31.

Employee Handbook

Parental leave

Paid leave entitlement

Employees receive 20 working days of paid parental leave. This policy applies to employees who welcome a child through birth or adoption.

When to take leave

Employees can take parental leave as one block or as two blocks. All leave under this policy must be used within 12 months of the birth or adoption.

Requesting parental leave

Submit your expected leave dates to People Operations at least 30 calendar days before leave begins when practicable. Update People Operations if the planned dates change.
